DJGALIFFA

BIOGRAPHY

Derek Galiffa (DJ Galiffa), is a well-established, prominent wedding and private event entertainer in the Pittsburgh and surrounding Western Pennsylvania region. DJ Galiffa has been offering professional DJ services in the private event and wedding industry for nearly 20 years. He is "The Official Pre-Game DJ" For The Pittsburgh Steelers at Heinz Field and DJs for over 68,000 fans inside the stadium for all the home games.

Outside of working for the Pittsburgh Steelers, some of his accolades includes destination events/weddings across the country. DJ Galiffa is an open-format DJ with the ability to blend across genres and styles to better serve diverse audiences. You may find him out in front of the DJ booth dancing and hyping the crowds during his performance to make every event memorable for its guests. Recognized by his previous and return clients for providing first class luxury services, DJ Galiffa has built a reputation as a provider on the cutting edge in style and performance. Staying ahead of trends and always pushing the limits, DJ Galiffa loves working with his clients to create a vibe that includes perfect music, lighting, and special effects for a one-of-a-kind experience.
